By reading and signing this document, I, the undersigned patient (or authorized representative) consent to and authorize the performance of any treatments, examinations, medications, anesthesia, medical services, and surgical or diagnostic procedures (including but not limited to the use of lab and radiographic studies) as ordered or approved by my attending physician(s), or any healthcare professional assigned to my care by my attending physician(s), and I acknowledge and consent to the following: While routinely performed without incident, there may be material risks associated with any procedure.
